NEW MEMBERS

MINISTRY FAIR RECAP

- Discussed survey summary

- Layout needs to be different for next year
- Should continue to hold this annually
- Proposed spreading out the fair over multiple weekends and splitting ministries by pillar

PHOTO DIRECTORY

- Dates: Nov. 9-13, 16-20 and Nov. 30-Dec. 4
- Need hosts/hostesses for photo dates
- Need people to make Mass announcements the weekend of October 2nd & 3rd
- Need people to man iPads October 2-3, 9-10, 16-17

PARISH-WIDE CONSECRATION

- Consecration to St. Joseph
- Starts September 29th
- Ends October 30/31 at Mass
- Other events: Women's adoration 10/6, Sharon Doran 10/13, Men's adoration 10/20, Emmaus presentation 10/23 (at St. John's)

Discussion:

1. Photo directory: Really need people to sign up; not allowed to submit photos to a large degree, so people need to come sit for pictures; Mikayla will be setting up iPads for people to sign up; Father McCabe wants to encourage people to come
2. Tithing renewal in November; lots of generosity with CSA/Walk for Christ; seeing a normal dip in tithing right now, but typically increases in November and December; more people are now giving through foundations; discussed the endowment and how a hybrid approach (giving now vs. giving to an endowment) is important
3. St. Joseph Consecration begins tomorrow

- Missing kneelers from original installation have been installed. However, they missed the confessional and usher kneelers. These will be fabricated and installed asap.

Action Items In-progress/Pending:

- Replacement of roof areas J, K, L, M, N (south and east side of Church) has been delayed to November due to delays in receiving roof membrane from manufacturer.

- Repairs to Rectory parking lot curbs, sidewalks, and driveway
- School water heater
- Repairs/replacement of Church air handling unit
- Asphalt parking lot maintenance
- Power washing/cleaning of exterior stone
- Working with SFA on potential installation of volleyball equipment on the playground.
- Coordinating with donors on projects which may include Christmas lights at Rectory, upgrading sound system, carpet replacement, window replacement

Discussion:

1. Mics are being upgraded (bid is in, but it is not fixed yet); talks of it being fixed by December

2. Father McCabe said the readers can use the main pulpit if they need to (announcements, petitions, etc.); this will be communicated to Russ Bayer; it was asked if Bluetooth works with the new system; Ann will ask
3. The Committee is trying to identify some critical areas for the property, especially areas that are past their lifetime (heating and air, roof, parking lot, etc.); sending the information to Finance Council for decision making on how to afford these issues
